## Million Dollar Quartet @ Circa 21

Wednesday, October 12th, 2016

MILLION DOLLAR QUARTET is the smash-hit musical inspired by the famed recording session that brought together rock 'n' roll icons Elvis Presley, Johnny Cash, Jerry Lee Lewis & Carl Perkins for the first and only time. On Dec. 4, 1956, these four young musicians gathered at Sun Records in Memphis for what would be one of the greatest jam sessions ever. It brings that legendary night to life, featuring a score of rock hits including "Blue Suede Shoes," "Fever," "That's All Right," "Sixteen Tons," "Great Balls of Fire," "Walk the Line," "Whole Lotta Shakin' Goin' On," "Who Do You Love?," "Matchbox," "Folsom Prison Blues," "Hound Dog" and more. Come inside the recording studio with four major talents who came together as a red-hot rock 'n' roll band for one unforgettable night. **\$99.00 per person** incl. transp., production & lunch.
